**Detective Sergeant Factual**

"The facts ma'am, just the facts"

Mr. Lopez arrived at New York's Penn Railroad Station and purchased a round trip ticket to Washington. All he was carrying was his briefcase and laptop. He boarded the Acela train, took off his coat, sat down, and then plugged in his laptop. He removed some papers from his briefcase and began filling out a government form on his laptop. When Mr. Lopez arrived in Washington, he took a cab to the Justice Department.
