Sergeant Factual answered a call from 328 Main Street. When he arrived at the home, he was met by a woman. The woman explained that someone had stolen a very large pumpkin from the family's front yard Halloween display. The thief had not taken anything else. The woman said she had seen three boys looking at the display and she thought that she knew one of them. The mailbox near the Halloween display read "328 Johnson's". There was a van in the driveway. Painted on the side of the van was a sign, which read "Johnson's Hardware".
